Fred, we noted the same thing, and have asked ARC to provide us data in a database format.

Tony/Marc, could you please get back to us? Thanks!

Lynda,

Can you please provide the database(s) that EPA is using while performing oversight duties regarding the reference area analyses? I searched the sharepoint site, but was unable to locate any database.

Lynda,

Norman Harry and Cale Pete have been added to the Leviathan Mine SharePoint Users Group. They should both receive an email from [IST.SHAREPOINT@AMEC.COM](mailto:IST.SHAREPOINT@AMEC.COM) with password information. Looks like Fred's password expired in June so we placed a request with our IT department to perform a manual reset and email him the new password.

Thanks,

Marc
